Terms & Conditions for PCD Pharma Franchise

● 1. Eligibility & Documentation

To partner with Mediklear Pharmaceuticals, the franchise applicant must submit valid, self-attested copies of the following statutory documents before any commercial transactions can commence:

- Wholesale Drug License (DL): Valid copies of Form 20B and Form 21B issued by the State Licensing Authority.
- GST Registration: An active Goods and Services Tax Identification Number (GSTIN) for tax invoicing.
- Identification Proofs: A valid ID proof (Aadhaar Card/Voter ID) of the proprietor. (Providing a PAN Card for the firm is optional).

● 2. Territory and Monopoly Rights

- Assigned Zone: The franchise partner will be granted marketing and distribution rights exclusively for the mutually agreed geographic territory specified in the allocation letter.
- Cross-Border Restriction: The franchise partner is strictly prohibited from selling, supplying, or booking orders outside their designated territory. If found infiltrating other zones, Mediklear Pharmaceuticals reserves the right to cancel the monopoly rights immediately without notice.

● 3. Product Pricing and Taxes

- Net Rates: All prices quoted in the official price list are Net Rates (Distributor Transfer Price) and are exclusive of GST, freight, and insurance charges.
- Price Revisions: The company reserves the right to revise product prices, packing configurations, or discontinue products at any time due to market fluctuations, raw material cost shifts, or government regulatory policies (DPCO/NPPA).

● 4. Order Frequency, Territory Size & Franchise Retention

- Territory-Based Order Value: The minimum order value required to lock in and maintain exclusivity is directly proportional to the size and market potential of the requested territory (e.g., a single district will have a lower required order volume compared to a division or an entire state).
- Regular Ordering Intervals: To retain exclusive monopoly rights for the assigned area, the franchise partner must place orders at regular, consistent intervals (e.g., monthly or bi-monthly).
- Monopoly Maintenance: Continuous ordering ensures the territory remains locked for you. Prolonged inactivity or failure to place regular orders within the agreed timeframe may result in the automatic forfeiture of monopoly rights, allowing Mediklear Pharmaceuticals to open the territory to other applicants.

● 5. Payment Terms (Strict Policy)

- Accepted Payment Modes: Mediklear Pharmaceuticals operates strictly on an Advance Payment or Cash on Delivery (COD) basis.
- Advance Orders: Processed via RTGS, NEFT, IMPS, UPI, or direct bank transfer. Stock is dispatched only after 100% of the invoice amount reflects in the company's bank account.
- COD Orders: Subject to applicable courier/transport COD charges, which must be borne by the franchise partner.
- No Credit Policy: The company does not extend credit facilities under any circumstances. Requests for credit terms will not be entertained.

● 6. Logistics, Supply, and Delivery

- Delivery Basis: Deliveries are made on an Ex-Godown basis. All freight, transport, and transit insurance charges are to be borne entirely by the franchise partner.
- Transit Timeline: The company will endeavor to dispatch goods from our Chandigarh facility within 24 to 48 hours of payment confirmation or COD verification. Mediklear Pharmaceuticals is not liable for delayed deliveries caused by transport strikes, festive backlogs, or natural disasters.

Terms & Conditions for PCD Pharma Franchise

● 7. Breakage, Shortage, and Expiry Policy

- **Transit Damage/Shortage:** The franchise partner must inspect the consignment immediately upon arrival. Any damage or shortage must be noted on the Transporter's Copy (LR Copy) and reported to the company within 48 hours of delivery, accompanied by clear photographic or video proof.
- **Expiry Policy:** In line with standard PCD industry practices, Mediklear Pharmaceuticals does not accept returns, give credits, or issue replacements for expired or broken goods once they have been successfully delivered to the partner's premises.

● 8. Promotional and Marketing Support

To help you establish the brand in your territory, Mediklear Pharmaceuticals provides standard promotional materials with your orders, which may include:

- Visual Aids & Working Bags
- Product Glossary/Catalogues
- Prescription Pads and Reminder Cards
- Other promotional items as available from time to time

● 9. Ethical Marketing & Compliance

- **Regulatory Alignment:** The franchise partner must promote and sell the products ethically and in strict accordance with the Drugs and Cosmetics Act (1940) and standard medical ethics.
- **Brand Integrity:** The franchise partner shall not misuse the intellectual property, trademarks, logos, or brand names of Mediklear Pharmaceuticals for any unapproved or fraudulent therapeutic claims.

● 10. Termination and Dispute Resolution

- **Termination Notice:** Either party may terminate this agreement by giving a written 30-day notice period.
- **Immediate Termination:** The company reserves the right to terminate the agreement instantly if the partner engages in cross-zone billing, financial malpractice, or acts detrimental to the brand's reputation.
- **Jurisdiction:** Any legal disputes arising out of or in connection with this business agreement shall be subject to the exclusive jurisdiction of the courts located in Chandigarh only.
