- GST Registration: An active Goods and Services Tax Identification Number (GSTIN) for tax invoicing.
- Identification Proofs: A valid ID proof (Aadhaar Card/Voter ID) of the proprietor. (Providing a PAN Card for the firm is optional).

2. Territory and Monopoly Rights

- Price Revisions: The company reserves the right to revise product prices, packing configurations, or discontinue products at any time due to market fluctuations, raw material cost shifts, or government regulatory policies (DPCO/NPPA).

4. Order Frequency, Territory Size & Franchise Retention

- Territory-Based Order Value: The minimum order value required to lock in and maintain exclusivity is directly proportional to the size and market potential of the requested territory (e.g., a single district will have a lower required order volume compared to a division or an entire state).
- Regular Ordering Intervals: To retain exclusive monopoly rights for the assigned area, the franchise partner must place orders at regular, consistent intervals (e.g., monthly or bi-monthly).
- Monopoly Maintenance: Continuous ordering ensures the territory remains locked for you. Prolonged inactivity or failure to place regular orders within the agreed timeframe may result in the automatic forfeiture of monopoly rights, allowing Mediklear Pharmaceuticals to open the territory to other applicants.

5. Payment Terms (Strict Policy)

- Accepted Payment Modes: Mediklear Pharmaceuticals operates strictly on an Advance Payment or Cash on Delivery (COD) basis.
- Advance Orders: Processed via RTGS, NEFT, IMPS, UPI, or direct bank transfer. Stock is dispatched only after 100% of the invoice amount reflects in the company's bank account.
